WHAT WE DO AT THE STUDIO

Holiday Program

As part of our yearly program, we provide holiday lessons throughout the year at the Pakenham Studio.

Student of the Term Awards

A deserving recipient from the Piano and Guitar lessons, who has demonstrated exceptional dedication and potential, will be awarded this prestigious prize. Along with a certificate, the winner will also receive a prize in recognition of their hard work.

Practice Sheets & Rewards

At JP Music Academy, we encourage students to develop regular practice habits through fun and rewarding practice incentives. Students receive practice sheets to track their progress, set goals, and celebrate their achievements.

Students who practise regularly have the opportunity to earn awards and prizes, helping them stay motivated, build confidence, and improve their musical skills.

Music Competitions

At JP Music Academy, we host various exciting music competitions throughout the year, giving students the opportunity to showcase their musical talents!

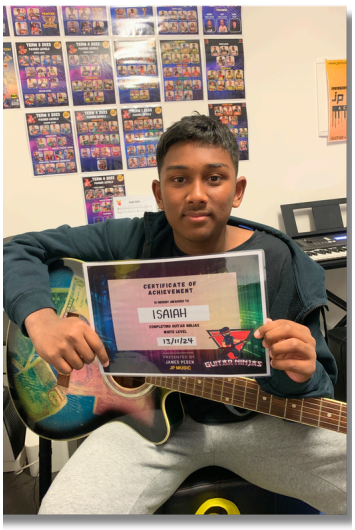

Students are challenged to learn a song, record their performance, and submit their video to compete alongside students from all our teaching locations.

Past competitions have included the Choose Your Song Competition, Movie Theme Competition, and Christmas Song Competition.

These fun events help build confidence, encourage practice, and inspire students as they watch and celebrate performances from other young musicians.

9 Level System

Guitar Ninjas Students- Collect Guitar Straps and receive certifcates for passing their level.
Little Guitar Ninjas- Collect Badges
Keyboard Superstars- Collect Badges

GUITAR NINJAS

Melbourne Guitar Academy created the renowned program, Guitar Ninjas, which is now taught in numerous music schools worldwide. JP Music proudly offers this program at our studio and in the schools we collaborate with.

Achieve the prestigious Black Level of a Guitar Ninja by completing all 9 levels of the course. This comprehensive program covers popular riffs, licks, scales, guitar techniques, music theory, notation, study pieces, and even learning your favorite songs.

Each level of Guitar Ninjas can be purchased for $80 initially and $40 to upgrade to the next level. For younger students up to grade 4, we also offer Little Ninjas - an all-in-one book that includes 9 levels. Once completed with Little Ninjas, students can seamlessly transition into the official Guitar Ninjas program. Join us on this exciting journey of mastering the guitar as a true Ninja!

BONUS-

Guitar Ninjas Dojo.

Video resources are readily accessible for all tasks and songs, allowing individuals to watch and learn at their own convenience.

KEYBOARD SUPERSTARS

Keyboard Superstars was created by James Peden from JP Music. The program consists of 9 levels and teaches material from the Young Progressive Piano/Keyboard Books 1-3, Alfred's Piano Beginners books, and the Piano Fiesta Online Course.

Each student will receive a pack with a checklist to track their progress. Upon passing a level, they will be awarded a certificate and badge to proudly display on their lanyard representing their level.

As students advance, they will have the opportunity to choose songs they would like to learn, such as Disney, movie, pop, and classical songs.

Currently, there are 3 booklet levels available in Keyboard Superstars that cover music theory, scales, chords, and other essential skills to help students become confident musicians.

Piano Fiesta-

Online interactive songs to play along with .

Owner & Music Teacher

In 2017, James Peden established the JP Music Academy with a focus on providing guitar and piano lessons in Pakenham. As his academy gained recognition, he expanded his services to local schools in the Shire of Cardinia, including those in Longwarry, Koo Wee Rup, Bunyip, and Pakenham.

James is a talented singer-songwriter and proficient multi-instrumentalist with extensive experience leading and playing in bands. His background also includes working in a music shop.

Understanding our T&Cs

Weekly Membership from $35 per lesson.

Lesson run weekly for 30mins or 1 hour.

Enrolment continues until you cancel. Commitment is per term minimum.

Unwell or away: Make up lessons offered.
